Candidate: Percy Rock

Office Running for: Greencastle-Antrim School District Board of Directors

Candidate Summary: I was born December 31, 1943. I've been married for fifty years. I've been a homeowner for 45 years. I paid my taxes to Greencastle-Antrim School District all that time. I have a married daughter.

The first thing children should be taught is this: They are children of their Heavenly Father. Their lives have purpose. They are of great worth. He loves them. They need to be taught to love one another. They need to be taught the commandments. In school they need to be taught and to know the basics: reading, writing, and arithmetic. Yes, they need to learn what is necessary to survive the modern world.

I will be a voice for the school children, their parents, and the tax payers. The teachers have a voice, the G.A.E.A.
