**Candidate:** Bryan Chappell

**Office Running for:** Magisterial District Judge 39-3-02

**Candidate Summary:** Around 1986 we moved to the Waynesboro area where my father became a Police Officer at the Washington Township Police Department until his retirement. My mother was blessed enough to be a stay at home mother to me and my three younger brothers.

During this time I attended Fairview Elementary, Hooverville Elementary, Waynesboro Area Middle School, and graduated from the Waynesboro Area High School in 2000.

After my graduation, I enlisted into the United States Army where I served as a Military Police Officer. I served in Iraq from 2003-2004.

After I returned from Iraq and was hired by the Waynesboro Police Department. I was employed with the Waynesboro Police Department from 2004-2007.

In 2004 my wife, Angel Chappell, gave birth to our son Landon Chappell. We were then blessed with our daughter Peyton Chappell in 2006.

In 2007 I was hired by the Washington Township Police Department and had the honor of serving with my father until 2010.

In 2010 I returned to the Waynesboro Police Department where I served under various roles and was promoted. During my employment I received numerous awards from letters of commendations to receiving the Meritorious Service Award.

My commitment to public service has been second to none my whole adult life. My role as the Magisterial District Justice will be my continued commitment to this community, the residents of this community, and my country.

It would be an honor to serve in this capacity and continue my public service. Again, I thank you for your time and consideration
