Office Running for: Mayor Waynesboro Pa

Candidate Bio

Dear Friends, Family, and Citizens of Waynesboro, I am pleased to inform you that I will be running for the Mayor seat.

Many of you have asked me why I desire to be Mayor here in the great area of Waynesboro.

My wife and I own our home here in Waynesboro, have 4 children, and after the last over 21 years of being here in Waynesboro, I cant help but to notice there is a great amount of change to be done.

I believe today is the time to make change and new beginnings in our great town.

Our current Mayor has accomplished what he is capable of doing for this town, but now is the time that we must move forward and evolve to become even more successful. Let me help you and our community evolve into a better place for our families and businesses.

Council members just trade seats each voting year and maintain that old unethical system of government. They never supported our fire department when the volunteers and paid firefighters separated. The council should have intervened in the practices before the proper foundation was dismissed by the past Fire Chief.

I promise to work with the community and devise a plan that will put us on the maps as one of the safest and greatest places to live in the United States.

I want to bring additional revenue into our town, more businesses, I do not have any desire to make us larger, but absolutely more successful. I would like to work with the citizens, and our youth after-school programs to keep them out of the streets and prepare them for the future, and put more programs and services in place to help us all.

I know many of you have questions about what I would do. Let my past accomplishments lead the way. I know I can be your perfect candidate because I am very capable of performing the job! Having worked in the law enforcement field and walked the walk, and made crucial decisions which should be required to make the town of Waynesboro a wonderful, exciting, and safe place to live and work.

I am a retired police/correctional officer/volunteer firefighter, with over twenty-five years of service. I am fluent in criminal law and know how to reduce crime in our neighborhoods.

I currently work part-time at a local job. I am a member of the Knights of Columbus for the last 8 years. I cherish working with my church; it is a wonderful feeling to put a smile on the faces of mothers, fathers, and children of all ages. I also donate a lot of my free time.

In closing, this is just a few of what I have achieved: HONORS/AWARDS

Numerous Meritorious Awards:

June 2004 - Rockville, Maryland - Public Safety Award, presented by U.S. Senator Barbara Mikulski in recognition of outstanding service to the Rockville Community.
