Candidate: Zig Herzog

Office Running for: Guilford Township Supervisor

Candidate Summary: Siegfried "Zig" Herzog, a 30+ year resident of Franklin County, is running for Guilford Township Supervisor.

Zig grew up in Germany. After he completed his vocational training in mechanics, he obtained his Masters Degree in Mechanical and Aerospace Engineering. In 1975 he came to the United States to further his education on a one-year scholarship but just 14 days after arrival he met his future wife. Their three sons all graduated from Chambersburg High School.

For 25 years Zig had taught Mechanical Engineering at Penn State Mont Alto. His love for DIY projects can be found everywhere on Jane's and Zig's homestead from building sheds, a greenhouse, decks, digging ponds, and growing food.

Zig's love for the environment led him to become a strong supporter of renewable energies. "We must make progress in this area not only on a global scale but also locally while keeping in mind the preservation of the natural beauty of our area," says Zig. "Renewable energies also provide steady and well-paying jobs and energy independence," he continues.

For the last few years Zig has attended many a meetings of the Township Supervisors to familiarize himself with all the responsibilities and details of the work involved. He thinks that his background in engineering and hands-on experiences qualify him uniquely for the betterment of the community.

During the coming months Zig Herzog will knock on as many doors as possible to come and listen to everybody's concerns.
