Candidate: Patrick Holden

Office Running for: Guilford Township Supervisor

Candidate Summary: Dear Voter:

Allow me to introduce myself to you. My name is Patrick Holden and I am currently running for Guilford Township Supervisor.

As a brief description the township supervisor's responsibilities are to guide, with the help of the constituents, the township in its growth and financial responsibilities. These include the well-being of the township roads, the beautification of Norlo Park, and the services provided to residents such as bulk trash day.

I have been involved in planning and zoning departments for the past fifteen years at both Washington County Public Schools and Guilford Township. The past five years I have served the township as Assistant Zoning Officer. In this role I have been involved in the review and permitting of projects throughout the township.

I feel that my experience would be an asset to the role of township supervisor. I would continue to uphold the values of this community with an eye towards a future of growth and prosperity. I feel that my youth allows me the ability to explore ideas and keep an open mind to the wishes of the residents of this great community.
