Candidate: Mike Boryan

Office Running for: Chambersburg Area School District Board of Directors – Region 5

Candidate Summary: I am a retired public-school teacher and administrator. I completed 33 years of full-time employment in both Virginia and Pennsylvania schools. Most of my career included 25 years of service in the Shippensburg Area School District as Director of Special Education.

I am very well connected to the Chambersburg Area School District. My wife and I have lived in the Chambersburg Area School District since the mid-1980s. Her parents lived in Chambersburg since the late 1950s. We chose to reside in the district because of the high quality of its schools. Our children attended Andrew Buchanan Elementary School, Chambersburg Middle School, Faust Junior High School and CASHS. We currently have grandchildren attending school in the district. For hobbies I enjoy woodworking, fly fishing and playing the drums.

School board matters that are of utmost importance to me include school safety, student learning and staff needs.

I am uniquely qualified to serve on the Board of Directors of the Chambersburg Area School District because of my professional experience as both a public-school teacher and administrator. In 2004, I earned a Doctor of Education degree in school leadership from Widener University. I am a past CASD Foundation Board member. I currently serve our community on the Chambersburg Borough Planning and Zoning Commission and as an active member of the St Paul United Methodist Church Administrative Council.

Education enriches both the individual and the community. My goal as a school board director is to help our children learn and grow to reach their full potential.
