**Office Running for:**

Washington Township School Board Director

**Candidate Bio**

I have always had a passion for education. Unfortunately, public education was not what I believed it should have been and after three years in public education as a middle school Technology Education teacher, I decided to change careers. I have worked at Comcast for over 10 years now and I am working to get a position in the Learning and Development department so I may resume my education passion in a practical, common-sense manner. I am the Chaplain for the Sons of the American Legion Post 15 in Waynesboro, PA where I have gained experience in working together with a team to vote on major matters for the American Legion.

I am happily married to my wife Liz, and we will be celebrating our 9-year anniversary this year! We sadly do not have any children, but I do have two wonderful nieces that live in Alabama that we love on. We are also happy fur parents to our big puppy, Bowie.

I hope to earn your vote for School Board Director for the Waynesboro Area School District so that I can be the voice for the parents and advocate for the commonsense education for the children. I believe that all children can achieve great things in education and that all children learn differently. My specialty in education was aligning educational practices with students' learning methodologies. I do feel that higher education is vital for children's' growth and futures but I also strongly support trade schools and apprentice opportunities.

As School Board Director, I will work to bring the voice of the voiceless to the School District and ensure that all of my constituents' concerns are heard and brought to the School Board for review.

I thank you all for taking the time to view my page and hope to earn your vote!
