### Candidate Bio

As a mother, business owner, and active volunteer in the community, I know I can offer a helpful point of view on the CASD School Board. I have two kids—one is in the district now, and the other will start kindergarten in the fall.

For the past 10 years, I have been involved in the community by working and volunteering for local nonprofits. I chose a career in the nonprofit world because I care about making a positive difference and helping meet the biggest needs in our community. I run my own business, AW Designs, LLC, where I help nonprofits and small businesses with graphic design, marketing, and development services.

I am running for school board to make a positive difference and help make sure all students in the district get the education they need to reach their full potential. Because kids are our future. I am focused on:

- Academic excellence
- Teacher support
- Student well-being
- Transparency and communication
- Responsible fiscal management
